

Counseling Agreement with Identity In Christ, Inc.

I understand that spiritual healing (Christian counseling and deliverance) takes time. It is usually not a quick fix (immediate solution). In order for these efforts to work, I have to do my part (be committed to implementing what is instructed and participate in the process). If at any point the counselor feels that I am no longer engaged, they may discontinue the counseling efforts.

FEES

All fees must be paid before an appointment.

- **The introductory meeting** (45 minutes) **is without charge.**
- **The first zoom/phone deliverance is without charge.**
 - **Any additional zoom/phone deliverances are \$50 per session** (2 hours). *There is no discount if the session ends early (counselee chooses to stop or all demons are gone).*

Cancellations

Cancellations (via: text, email, or call) **for any appointment (other than a deliverance) must be made at least one hour before the scheduled time.** After that, you will be charged \$20 (even for a free appointment). If there is still no notification of cancellation after 3 days, then the counselee will be charged at the full rate for a session (\$35) and their regular time slot will be cancelled (open for others to schedule in it).
